Work Mode

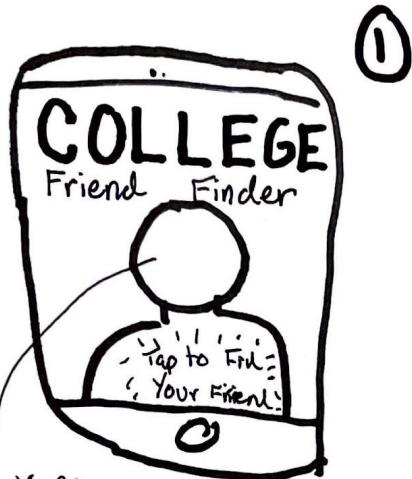

So you can hide
your app when
you're not supposed
to!

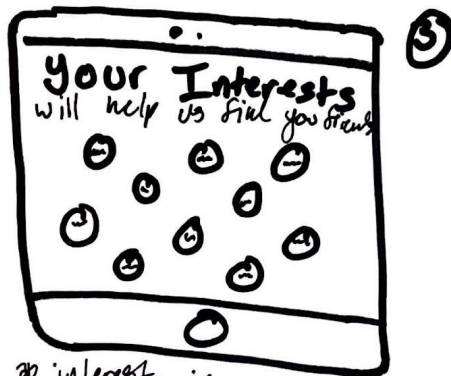

PANIC

For when things
Go South

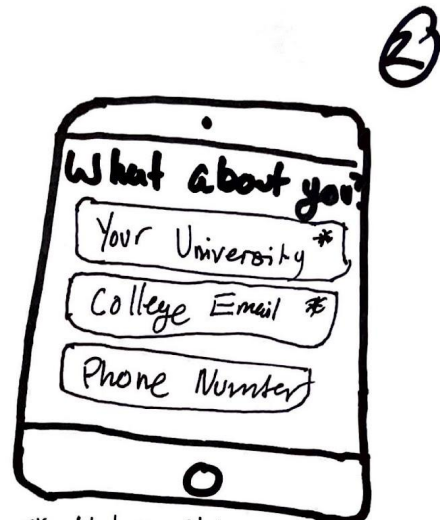

- * person shaped interface
- * would be black with the white text

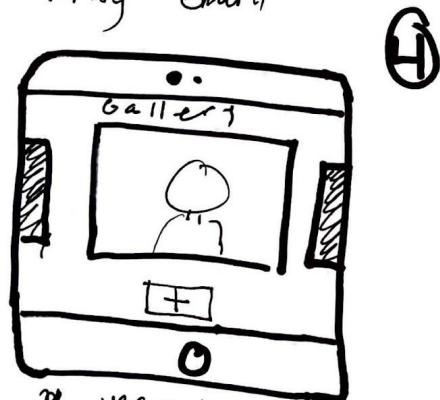

- * interests in a rounded/bubble design.
- * you can have around 5-10 more
- * bubbles expand to related interests when tapped

=>

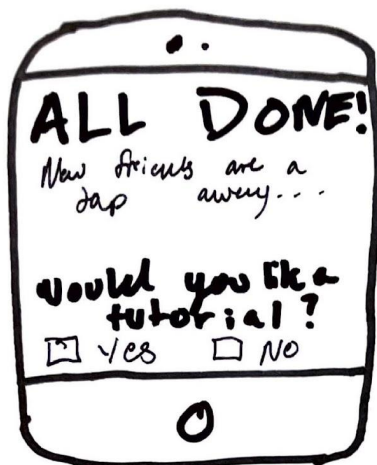

- * University + College Email are required
- * followed by a prompt to verify email

=>

- * user is prompted to upload photos to a gallery
- * they swipe move in a circle as the user can swipe
- * blind mode ... no photos but you can't see anything else

- * prompts the user for a tutorial to use the app.
- * continued to rounded graphics

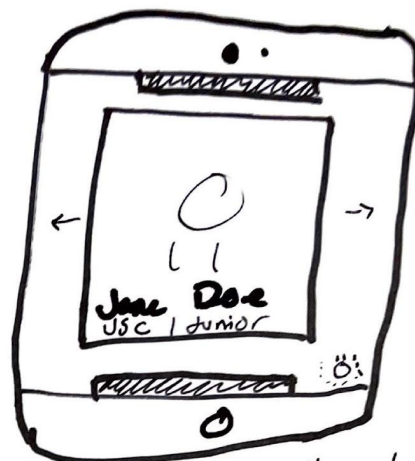

- * here you can add a bio and change other profile settings

* Matching Settings

- Can change how "similar" people are in your feed with a slider

=>

- * Vertical scrolling to go between suggested profiles
- * button to go to settings in bottom right
